

David Friend Hall Opening Celebration!

Sunday, October 23, 2016

Noon to 5:00 pm

Free admission

Join us to celebrate the opening of David Friend Hall, the Museum's incredible new 2,300-square-foot gallery of minerals and gems! From delicate diamonds to a single crystal that weighs 2,000 pounds, you'll discover more than 150 amazing specimens.

Come enjoy a mineral dig, touch table, craft activity, and scavenger hunt!

Free admission for the weekend is made possible by the Lucille and Arnold J. Alderman Fund

Support for David Friend Hall was generously provided by David Friend (YC '69)
